

CERTIFICAAT

CERTIFICAAT OF FACTORY PRODUCTION CONTROL

0958 - CPD – DK040/1 (UK)

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

BITUMEN DAMP PROOF SHEETS INCLUDING BITUMEN BASEMENT TANKING SHEETS

produced by
BITUFA Waterproofing B.V.

on the production site

**Vlijtweg 4
8191 JP WAPENVELD
The Netherlands**

is submitted by the manufacturer to the initial type/testing of the product and a factory production control and that the approved body INTRON Certificatie B.V. has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

INTRON Certificatie B.V. herewith states that all provisions concerning attestation of factory production control described in Annex ZA of the standard NEN-EN 13969 were applied.

This certificate was first issued on February 14, 2008 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions or the FPC itself are not modified significantly and latest on February 14, 2013. If desired the validity of this certificate can be checked with INTRON Certificatie B.V.
