

Bitufa Waterproofing B.V.
46 Years Without a Leak – 1979–2025

Official Price List Announcement – Q2 2025

June 24, 2025

Dear Partners,

As we proudly celebrate 46 years without a single leak, we want to take a moment to thank you for your continued trust in Bitufa. Our journey began in 1979, and today we are proud to offer the thickest waterproofing membrane on the market, delivering unmatched durability and protection year after year.

We are excited to share with you our official 2025 price list, effective immediately and valid throughout the rest of the 2025 calendar year. Please find the updated pricing below.

At Bitufa, our mission has always been clear: to offer the most reliable waterproofing system in the world. With self-healing properties, unparalleled elongation of up to 1600%, and our detail-based solutions, we continue to set the standard in the industry for performance, longevity, and innovation.

Thank you for being part of this journey. We remain fully committed to supporting your success with the finest waterproofing solutions available.

Please find our ex-works container based new prices for 2025 listed below.

Product	Price / m2	Price / Roll
FLEXOBIT 5MM – 1x6 mt Roll	25.00 €	150.00 €
FLEXOWALL 5MM – 1x7.5 mt Roll	25.00 €	187.50 €

With appreciation,

Roland van Delden
